Educational Philosophy of the YIC group

To develop professionals who can contribute to the development and improvement of our local community, by training and mental preparation for the future experts in various fields.

School Motto: Train and prepare for a bright future

People can achieve greatness through a life full of vigor. No matter how talented or gifted an individual is, they can't make their abilities bear fruit without hard work. Thus, we expect our students to believe in their own potential and strive to reach it. This is why we chose "Train and prepare for a bright future" as our school's motto.
